

HVAC Systems.

As Daikin's independent, locally managed factory authorized representative in Northern Ohio, we provide a full range of HVAC systems and solutions. We've built an extensive portfolio of products for virtually all building applications, including HVAC systems, controls and integration solutions and boiler products.

HVAC Equipment.

 <p>Variable Refrigerant Volume & Light Commercial Applied Systems</p>	 <p>Grow Room HVAC Systems</p>	 <p>Custom Air Handling Equipment Design</p>	 <p>Air Treatment Technology</p>
 <p>Packaged Pumping Systems</p>	 <p>Heating, Cooling, & Ventilation Equipment</p>	 <p>Vertical Air Handling Unit Ventilators</p>	 <p>Custom Dehumidifiers & Process Air Handlers</p>
 <p>Air Humidity Control Technology</p>	 <p>Advanced Energy Recovery & Dehumidification</p>	 <p>Advanced Custom HVAC Solutions</p>	 <p>Energy Recovery Air Handling Units</p>
 <p>Industrial Air Rotation & Make-Up Air Systems</p>	 <p>Commercial Air Curtains</p>	 <p>Custom HVAC Solutions</p>	 <p>Air Distribution & Air Terminal Units</p>
 <p>Humidifiers</p>	 <p>Low Profile DOAS Solutions</p>	 <p>Bipolar Ionization Air Purification Systems</p>	 <p>Chilled Hot Water DX Coils</p>
 <p>Pool Dehumidification</p>	 <p>Energy Efficient Temperature & Humidity Management</p>	 <p>Ultraviolet Airstream Disinfection</p>	 <p>Packaged Rooftop / DOAS</p>
			 <p>Industrial Make-Up Heating Equipment</p>

Fan Coils & Air Handling Units

Variable Frequency Drives

Controls & Integration.

Wireless Controls

Intelligent Solutions

Building Software & Controls

Building Control Solutions

Bacnet Controllers

Universal Software Infrastructure

Programmable Controls

Integrated Controller Solution

Authorized Building Controls Specialist

Innovative Airflow Solutions

Bacnet Based Scalable Control Center

Boilers & Burners.

Horizontal & Vertical Firetube Water/Steam Boilers

Water Tubed Forced Boilers

High Quality Boilers & Control Systems

Condensing & Non Condensing Copper Fin Boilers

Energy Efficient Lead LAG Control Systems

Dearation Systems, Return Systems & Pumps

Boiler Burners & Combustion Control Systems

High Efficiency Hot Water Boilers
