

HVAC Systems.

As Daikin's independent, locally managed factory authorized representative in Northern Ohio, we provide a full range of HVAC systems and solutions. We've built an extensive portfolio of products for virtually all building applications, including HVAC systems, controls and integration solutions and boiler products.

HVAC Equipment.

 Commercial Chillers & Indoor Air Quality (IAQ)	 Variable Refrigerant Volume & Light Commercial Systems	 Grow Room HVAC Systems	 Custom AHU	 Air Treatment Technology
 Packaged Pumping & Central Plant Solutions	 Chilled Beams	 Vertical Unit Ventilators	 Custom Dehumidifiers & Process Air Handlers	 Advanced Energy Recovery & Dehumidification
 Custom AHU - Institutional	 Custom AHU - DX / DOAS / Natatoriums	 Hydronic Heating & Cooling	 Air Rotation Systems	 Fan Arrays
 Custom AHU - Industrial / Food Process	 Air Curtains	 Air Distribution & Air Terminal Units	 Chillers - Custom / Modular	 Humidifiers
 DOAS Solutions	 Custom HVAC Solutions	 Coils	 Pool Dehumidification	 Computer Room HVAC
 Ultraviolet Airstream Disinfection	 Industrial Make-Up Air	 Bipolar Ionization Air Purification Systems	 Fan Coil Units	 Variable Frequency Drives

Gardiner Does It.

Controls & Integration.

 HVAC Field-Devices	 Unified Lighting Control Solutions	 HVAC & Industrial Control Valves	 Packaged Equipment Controls	 Building Software & Controls
 Building Control Solutions	 HVAC & Network Gateways	 Intuitive Building Solutions	 Seamless JCI-to-Niagara Conversions	 Building Control Solutions
 Wireless BACnet	 Intelligent Gas Detection Systems	 BACnet Controllers	 Open Automation & Integration Platform	 Utility Usage Invoicing
 Light Commercial Control Solutions	 Siemens Integration Gateway	 Lab Controls	 BACnet Thermostats	

Boilers & Burners.

 Horizontal & Vertical Firetube Hot Water & Steam Boilers	 High Efficiency Watertube Hot Water & Steam Boilers	 Commercial / Industrial Hot Water & Steam Boilers	 Firetube / Watertube Condensing & Non-Condensing Hot Water Boilers	 Energy Efficient Lead / Lag Control Systems
 Deaeration Systems, Return Systems & Pumps	 Power Burners & Combustion Control Systems	 High Efficiency Hot Water Boilers & Copper Finned Boilers
